Church Planting, Soul Winning, Bible Translating

Family Update: Introducing...

Joanna Olivet Turk! Born March 24, 2026 @ 12:34 PM.
8 pounds 8 ounces (3.865 kg). 22 inches (55.88 cm).

The Bible verse that Livia claimed during labor:

"In the day when I cried thou answeredst me, and
strengthenedst me with strength in my soul."---Psalm 138:3

Evangelism Highlights:

The day after the Old Paths Conference, my children and I went forth to be witnesses unto the LORD Jesus Christ in a local apartment complex. As we were approaching the location, I instructed them that our goal was to preach the gospel, not only hand out tracks, because faith cometh by hearing. Four of my children (Sharon, Faith, Lois, and Jabez) had the pleasure of guiding 7 souls to the LORD Jesus Christ that day. AMEN!

One of the ladies who Faith witnessed to, Taneesha, came to church the following Sunday with her boyfriend, Bryson, and their baby boy, Koa. I had the pleasure of speaking with Bryson during the invitation: he asked Jesus to be his Savior. I showed them both what God commands His children to do after they've been adopted into His family via being born again, and they both then submitted to baptism. PRAISE THE LORD OF LORDS!

PRAYER REQUESTS

Medical

Thank you all for your prayers! God guided us to a midwife that loves us, reduced our bill significantly, and helped greatly with the birth of Olivet. Please pray for Livia as she recovers.

Vehicle

Thank God for the van we have now; it has been wonderful. We haven't found a suitable replacement yet now that we exceed the seating limit, so we are still looking for a bigger vehicle. Please continue praying.

Three MacBooks for Children

Please pray for God to provide three good MacBooks for our children to use for school while traveling on deputation.

Music Album

A prayer of thanksgiving: our music album is published online on all major services (YouTube, Spotify, iTunes, and so on)! Links to them can be found here:
